+49 15226143593 - Berlin, Germany

8+ years of
authentic ideas
& robust concepts
for clients across
three continents.

ABOUT

I travelled between the years 2011 and 2018, visiting 35 different countries, drawing inspiration from cities, nature, diverse people and cultures. While absorbing the arts, design and stories, I worked remotely as a UI-UX designer and graphic artist. I'm passionate, candid and full of energy.
